## DISCLAIMER NOTICE - DEDUCTION INTO CTLS FCS

Complete Trust Cooperative Society (CTCS) hereby dissociates itself from any unauthorized deductions from the salaries of federal government workers through the Integrated Payroll and Personnel Information System (IPPIS) into the accounts of CTLS-FCS, a federal cooperative society.

We wish to categorically state that Complete Trust Cooperative Society is a multi-purpose cooperative society based in Lagos, primarily serving Lagos State civil servants. Our deductions are exclusively sourced from the Lagos State Oracle System, and we do not have any arrangement or agreement with IPPIS or any federal government agency to deduct salaries of federal workers.

We condemn the unauthorized deductions made into CTLS-FCS accounts over the past three months and demand an immediate refund of such deductions to the affected federal government workers. As we receive several calls on monthly basis for the past months due to the similarity in our names CTCS and CTLS-FCS.

Complete Trust Cooperative Society remains committed to transparency, accountability, and ethical practices in all our operations. We will continue to serve our members with integrity and dissociate ourselves from any fraudulent activities.
